RE: Henry's Fork Distribution System Meeting for 2011

Dear Todd,

Enclosed is a copy of our proposed schedule for the 2011 annual distribution meetings.

We would like to hold the meeting for your distribution system on Thursday, March 10, 2011, at 4:00pm. We hope that by scheduling the meetings this far in advance we will be able to avoid any conflict with your schedule.

**Your 4-year term as Water Commissioner will end at the 2010 annual distribution system meeting. I think it will just be formality and the water users will recommend that the State Engineer re-appoint you to another 4-year term as the Utah Water Commissioner for Henry's Fork. However, if they do not, then we will have to meet with the Wyoming officials to figure out how to move forward.**

If you have any questions or if there is a serious conflict with the proposed schedule for your meetings, please contact me and we will see what we can work out. I can be contacted by phone at (801)538-7380 or by e-mail at [LeeSim@utah.gov](mailto:LeeSim@utah.gov). Our meeting schedule will be finalized and we will start making meeting place arrangements towards the middle of December, so I need to know as soon as possible if there is a problem with your scheduled meeting date and time.

Thanks for your help.

Sincerely,

Lee H. Sim, P.E.

Assistant State Engineer for Distribution
